

Breakdown Operation Management

Tony's Truck Centre now offers our clients the unique opportunity to outsource and manage their breakdown operations to us.

How does this work?

Every company has their own criteria regarding breakdown operations. Thus a consultation will be arranged, where Tony's Truck Centre will adapt our Call Centre service to meet your requirements and needs.

Why should you consider this?

1. No more staff problems
2. No 24 hour shift complications
3. Person/s involved can focus on his/her core job description.
4. No more sleepless nights for owner operators
5. 24 hour breakdown progress monitoring.

Transfer your load onto our more than capable and fully trained Call Centre.
